

NASHVILLE UNION.  
PROSPECTUS  
OF THE  
NASHVILLE UNION.

The NASHVILLE UNION was commenced a few weeks ago, for the purpose of opposing the Rebel Southern Confederacy, and advocating the restoration of Federal authority, without any abatement, over all the states which have attempted to secede. It holds as friends all who support, and as foes all who oppose the Union or the States. It has no watchword but Patriotism and Nationality.

With rebels and traitors it has no compromise to make. It contends for the Federal Constitution and the Laws made in pursuance thereof as the Supreme Law of the Land, anything in the Constitution and Laws of any of the States to the contrary notwithstanding.

It contended for the Union of the States, because without it the preservation of our liberties and institutions, and the organization of society itself are wholly impossible. Therefore, whatever stands in the way of overthrowing the rebellion and restoring the Union must perish, no matter by what means it is called.

To the people of Tennessee, ever renowned for their devotion to Liberty and Union, until they were betrayed by the rebel despotism at Richmond, by a perfidious treacherous and corrupt Legislature, and who have felt so heavily the awful curse of treason and slavery, we appeal for support. Let the name of rebel office-holders, Vigilance Committees, and Minutemen, who have filled our borders with mourning, be gibbered before the world. Let those ambitious and avaricious men who have placed their right for their own aggrandizement so fastened to the pillow of shame, no matter how high their position in society, let it be known how the self-styled defenders of "Southern Rights" are now leading marauding bands of freebooters and mass-trimmers over our State, kidnapping negroes, stealing horses and cattle, breaking into houses, laying railroad bridges and cars, and murdering unarmed citizens in cold blood. Let the truth, as long extolled by the Southern conspirators, now circulate freely through every neighborhood, and our cause will surely triumph. Will no loyal man over-wrap his bold in the dissemination of facts and the advocacy of Free Government?
